COMMENTS ON STATEMENT FOR REASONS FOR ALLOWANCE

Commissioner for Patents
P.O. Box 1450
Alexandria VA 22313-1450

Sir:

Applicant would like to thank the Examiner for her helpful comments in the telephone interview dated July 5, 2006, which comments are reiterated in the Examiner's Amendment and Statement of Reasons for Allowance that accompanied the Notice of Allowance that issued in the instant application. In particular, Applicant thanks the Examiner for acknowledging that the allowed claims are novel, non-obvious, and fully enabled in light of the prior art.

Additionally, Applicant respectfully calls to the Examiner's attention an apparent typographical error in the Notice of Allowability that issued in the instant application, in which Claims 1-22 and 23-31 are listed as the allowed claims. Claim 22 was previously withdrawn, without prejudice, as being directed to non-elected subject matter, and is presented in independent form for prosecution in a divisional application, filed on November 29, 2006. Therefore, the allowed claims in the instant case are Claims 1-21 and 23-31.

Additionally, the Commissioner is hereby authorized to charge any underpayment or credit overpayment of fees during the pendency of this application to Applicant's Deposit Account No. 010535.
